

# Mobile App End User License Agreement Terms and Conditions

Ring-U LLC, a Chattanooga Tennessee USA based Telecom Services company has licensed Acrobits Cloud Softphone, a provider of "white label" VoIP Softphones for telecom companies to work with their systems. The Cloud Softphone Application, once installed on a mobile device and configured by QR Code or Login and Password is tied to a customers Ring-U LLC phone system.

Ring-U LLC nor AcroBits is responsible for the use and suitability of this application but will make a best effort in supporting it.

**Most of the variables are under control of the phone operating system and telecom provider as well as options configured on the mobile device by the end user.**
