

# Cancellation

One of the reasons we started **ring-u** was our own history of trying to cancel service from other telecom providers.

## DIY Account Cancellation:

Login to the customer portal at <https://portal.ring-u.com>

- Click on **My Account**
- Click on **Payment**
- Click on **Cancel Service**

Simply make your selection of the two cancellation options.

A representative from Ring-U will try to contact you to do the following things:

- Confirm the cancellation.
- Make sure you keep/transfer your phone numbers effectively.
- Understand what we could have done better.
